The logo for V-TECK is rendered in a bold, blue, sans-serif font. The letter 'V' is the largest and most prominent. The letter 'E' is stylized with a red diamond shape inside its upper loop. The letters 'T', 'C', and 'K' are also in blue and follow the same bold, modern style. The logo is centered horizontally in the upper half of the image.

**V-TECK**

The tagline is written in a clean, white, sans-serif font and is centered horizontally below the logo. The background of the entire image is a low-angle shot of a modern glass skyscraper, with the building's grid of windows and structural lines creating a strong sense of perspective and depth. The sky is a pale, overcast blue with some light clouds.
